

香港土地用途 LAND UTILIZATION IN HONG KONG

本圖旨在顯示二零二四年底香港土地用途的概略分布情況。有關的土地用途數據已根據二零二四年十二月的衛星圖像（© AIRBUS DS 2024），截至二零二四年底由規劃署內部調查所得的測量資料，以及各政府部門的其他相關資料而更新。由於部分土地用途分類的定義和方法不時更新，所以年內的數字未必能與往年直接比較。如欲了解圖上各類土地用途大概所佔的面積，請參閱規劃署網頁（<http://www.pland.gov.hk>）。

This map is intended to show the broad land use distribution in Hong Kong as at end 2024. The land use data was compiled using satellite images dated December 2024 (© AIRBUS DS 2024), in-house survey information of the Planning Department up to end-2024 and other relevant information from various government departments. As definitions of some land use classes and methodology are updated from time to time, the figures this year may not be directly comparable to those provided in previous years. For the approximate areas of different land uses on the map, please visit the website of the Planning Department (<http://www.pland.gov.hk>).
