1 Introduction

Boundaries of New Towns adopted in 2016 Population By-census.

In translating the boundaries of New Towns for 2016 Population By-census to digital format, reference has been made to different topographic maps, which may be of various scales, prepared by Survey and Mapping Office, Lands Department available at the time of compilation. Since the geographical features on these maps may be updated from time to time, the New Town boundaries may not tally with the latest situation. Users are responsible for making their own assessment of the obtained data and are advised to verify such information before acting on it.
